WHO WE ARE

The Erasmus Training Centre (ETC) based in Jakarta, provides skill training and language courses to enhance students' academic mobility between the Netherlands and Indonesia. The Academic Pre-departure programme for Bachelor and Master studies in the Netherlands is in cooperation with ETC initiated and designed by four Dutch Universities (Leiden University, University of Groningen, Vrije Universiteit Amsterdam and NHL Stenden University) to optimize and match expectations from prospective students and academic standards from Dutch higher education institutions. Through this programme a "soft-landing" for Indonesian students will be provided.
